

THE FOLDED STORY. (MAKE A THANKSGIVING MEMORY ONE LINE AT A TIME)

Instructions:

CREATE: Write the first line of the new story. (For example: Once upon a Thanksgiving Day)

ADD: Have each person at your gathering add a line to the current story

FOLD: After adding your line, FOLD the paper so the next writer cannot see what has been written.

READ: Read your finished Thanksgiving story and enjoy!

The image shows a writing template for a Thanksgiving story. It consists of 20 horizontal lines. Scattered across the page are numerous small, semi-transparent dots in yellow and pink colors. The dots are more densely packed in the lower half of the page, creating a decorative background for the writing area.
